

Middle School Teacher

Islesboro Central School is seeking a qualified middle school teacher to join our faculty for the 2024-2025 school year.

The successful candidate will have experience with middle school teaching and philosophies and be able to teach core academic subjects (ELA, Math, Science/Social Studies)

Applicants for this position must have degree(s) in major area of study; Maine Department of Education certification with a #020 endorsement; experience related to the instruction of middle school students and in the subject area(s) to be assigned; demonstrated positive, professional relationships with students and colleagues.

The position will remain open until a suitable applicant is found.

Islesboro Central School is a public/magnet K-12 school located on the island of Islesboro, accessible only by ferry in Penobscot Bay, serving approximately 85 students.

Interested applicants should fill out an application available at;
<https://islesborocentralschool.org/employment-opportunities/>

Maine State fingerprint (CHRC) authorization is required for all positions within our school.

All materials should be mailed or emailed to:
